2. The three absence and holiday agenda items covered in this module are;
 - a. Awaiting decision
 - b. Require finalisation
 - c. Return to work interview

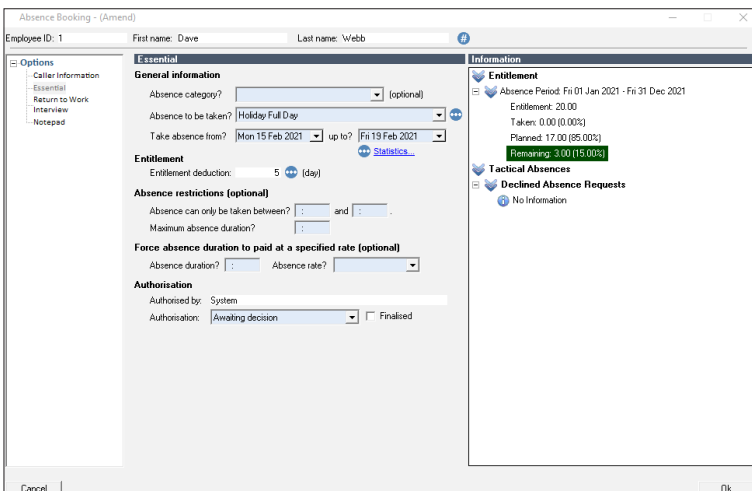

- Awaiting a decision. This 'To-Do' List item highlights complete absence/holiday requests that have not yet been approved or finalised by a manager.

Clicking on the agenda link takes the user to the personnel absence/holiday selection screen.

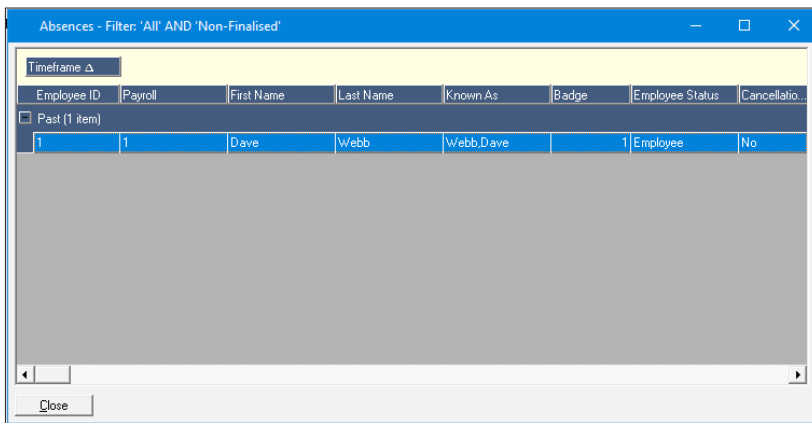

Selecting an person's absence/holiday, enables the user to modify the authorisation details to either Approved or Declined. Click <Ok> to return to the personnel absence/holiday selection screen.

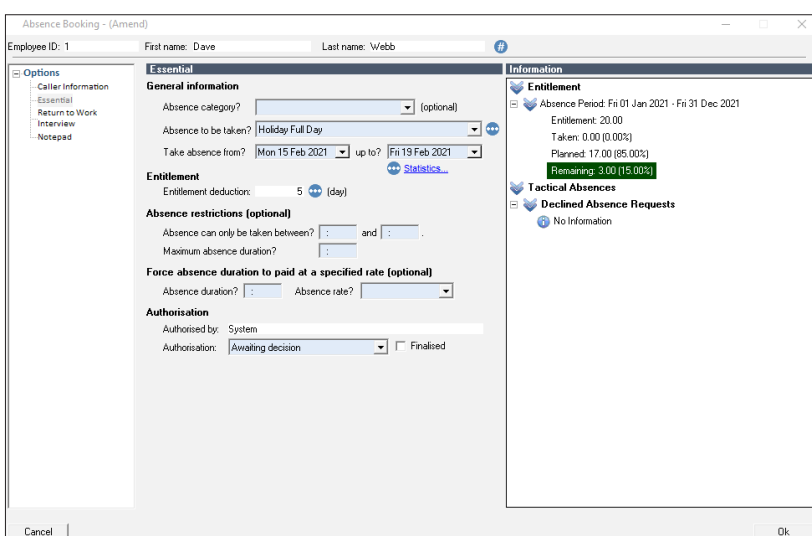

- Require finalisation. Note that this option is mostly used where two step authorisation is required i.e. a line manager says it is fine to take but HR get the final say.

Clicking on the 'To-Do' List link takes the user to the personnel absence/holiday selection screen.

Selecting a personnel absence/holiday enables the user to modify the authorisation details to Finalised. Click <Ok> to return to the employee absence/holiday selection screen.

- Require return to work interview. This agenda item highlights any absence spells that have exceeded the return to work interview limit specified in the appropriate absence reason.

Absence Block Bookings

Overview
This screen displays a list of absence block bookings. These may be viewed, amended or deleted by right clicking on the selected block booking and choosing the appropriate option. Please note that block bookings are handled by the 'System Maintenance' event within the Event Handler, so there could be a delay from the block booking being entered until the absence getting inserted against an employee.
